NIGHT SCHOOL

May Be Held in the High School Building This Winter If Enough Persons Will Join—Matter to Be Left to School Board.

Several attended the meeting at the High School building last evening to determine whether or not a night school course will be conducted. Although the number present, was small it seems as if such a school will be held as several that had signified their intention of attending were not present at the meeting.

The course to be offered will be a commercial one and the school will be conducted three times a week. If those attending desire it other High School studies will be added to the commercial course. The subjects that will be taught are penmanship and business spelling, business English, typewriting and bookkeeping. It may possibly be arranged for two classes in stenography and typewriting, the advanced class being for those who completed the course last year in the night school. The school will be held three nights a week, Monday, Wednesday and Friday, and will be continued until the first of June.

At the School Board meeting to be held in the High School on Friday night, Superintendent Caplinger will bring before the board the matter of the night school for their approval. Persons wanting to take the course will do well to call up Superintendent Caplinger at his office. Mr. William Jones, the head of the commercial department, is said to be a very competent commercial teacher. He will be assisted by Prof. Dale, the principal of the High School.

This is an excellent opportunity for those wishing to take a commercial course. Access will be given to the typewriters in the High School. The opening session of the school will be held on next Monday night. Further announcements of the night school will be made in the columns of the Ledger.

DEATH ANGEL

CALLS DR. MAURICE WALLER FORMERLY OF THIS CITY.

At the Home of His Sister, Miss Lillie Waller, in Oak Park, Ill.—Had Been Minister For the Greater Part of Life—Was 76 Years of Age.

Word was received here yesterday of the death of Dr. Maurice Waller at the home of his sister, Miss Lillie Waller, at Oak Park, Ill., yesterday morning at 5:30 o'clock.

Dr. Waller had suffered a general breakdown last winter and was taken in February to Kenova, W. Va., to stay with relatives. In July he was taken to Oak Park to remain with his sister. His death came rather suddenly and as a great surprise to his many friends and admirers here.

Dr. Maurice Waller was born in July, 1840, on the place now owned by Mr. W. W. Baldwin on the Lexington Pike. He was the son of Henry and Sarah Langhorne Waller, his father being a prominent lawyer of this county at that time. In 1861 his family moved to Chicago.

He professed an early desire to become a minister and attended Centre College and the Danville Theological Seminary at Danville, Ky. He was also a graduate of the McCormack Theological Seminary of Chicago. After entering the ministry he filled many important pastorates in several states at various times but he always claimed Maysville as his home and loved to be in this city. His last regular pastorate was at Lebanon, Ky. After his retirement from the active field of the ministry he settled in Maysville and from this point he would fill various churches in the surrounding country.

His wife was Miss Elizabeth Marshall of Washington, daughter of Col. Charles A. Marshall. She preceded him to the grave several years ago. To them were born five children one of whom is dead. The surviving children are Mr. Henry Waller of Portland, Ore., Miss Phoebe Waller of New York City, Mrs. Shelby Blatterman of this county and Mrs. Gilbert Wilkes of the Philippine Islands. He is also survived by four sisters and two brothers.

Dr. Waller was known to almost every resident of the county as he had filled pulpits of all the Presbyterian and many of the other churches in the county.

He was a very earnest minister and preached for the joy of it. Often after preaching a very long sermon he would be surprised to learn that so long a time had passed. He was an interesting speaker and never failed to command the attention of his audience. He was a splendid character and a gentleman in every walk of life.

As yet no arrangements have been made for the funeral but it is supposed that the body will be brought to Maysville for burial. Announcements of the burial will be made in tomorrow's Ledger.

BADLY SKINNED UP

Mr. John Hessler of West Third street, signal maintainer on the C. & O. Railroad, was rather severely bruised and shaken up on Monday afternoon when his railroad motor car jumped the track while crossing Poplar street in the East End. Mr. Hessler was thrown from the machine and his face and legs were badly skinned. He sustained several severe bruises but is not confined to his home on account of the accident. A small rock on the track caused the derailment of his machine although he had slowed up to pass the crossing.
